Great Lakes Scaffolding Inc.
363 Eastern Blvd.
Watertown, NY 13601

Subject: Fort Drum Projects in 2009

Attn: Larry McConnelee

Great Lakes Scaffolding Inc. supplied Hydro Mobile tower scaffolding that was used with our previously purchased Hydro Mobile. Larry supplied us with layouts, training and rental material. The hands on training and job site calls helped our job run efficiently and safely. Productivity was key with material availability, reliability and prompt service.

We have found Larry and the people at Great Lakes Scaffolding Inc. to be helpful and responsive to our needs.

Sincerely,
